# PET PREFORMS

**+91 86376 34061**

# ABOUT US

We are a distinguished manufacturer of precision-engineered PET preforms, trusted by leading beverage, food, and consumer-goods brands across global markets. Our operations are built on a foundation of advanced technology, disciplined quality governance, and a deep understanding of international packaging standards.

Our product portfolio spans a comprehensive range of neck finishes, weights, and colour options, enabling seamless integration with diverse bottling lines and packaging applications. Whether for water, CSD, juices, oils, jars, or specialised industrial containers, our preforms are crafted to support brands that prioritise quality and reliability.

# OUR PRODUCTS

## WATER PREFORMS

- Crafted using food-grade, BPA-free PET resin, our water bottle preforms deliver crystal clarity, lightweight stability, and blowing performance.
- Designed for mineral water and table water packaging, these preforms offer precise neck finish, uniform wall thickness, and compatibility with standard 28mm / 30/25 closures. Ideal for high-speed blowing lines.

Neck Size (mm)	Weight (gms)	Bottle Volume (ml)	Neck Type	Packing Type	No. of Pieces	Per packing weight (kgs)
28	9.5	200-300	Alaska	Polythene Bags	3100	25
28	12.5	400-500	Alaska	Polythene Bags	2000	25
28	20	900-1000	Alaska	Polythene Bags	1485	30
28	11.8	200-300	Alaska	Polythene Bags	2400	25
28	14.7	400-500	Alaska	Polythene Bags	1900	25
28	21.3	900-1000	Alaska	Polythene Bags	1300	30
28	36	1900-2000	Alaska	Polythene Bags	850	30

# PCO PREFORMS (Long Neck / Short Neck)

- Engineered for carbonated beverages, juices, and flavoured drinks, PCO preforms ensure superior pressure resistance and high impact strength.
- Available in both long-neck and short-neck configurations, they offer excellent stretch characteristics, consistent weight distribution, and robust thread accuracy for tamper-proof closures.

## PCO/ CSD PREFORMS

Color	Neck Size (mm)	Weight (gms)	Bottle Volume (ml)	Neck Type	Packing Type	No. of Pieces	Per box weight (kgs)
Transparent	28	13	200-300	PCO	Polythene Bags	1923	25
Green	28	13	200-300	PCO	Polythene Bags	1923	25

Carbonated Soft Drinks(CSD) Clear	28	11.5	200-300	SHORT Neck PCO (Soda)	Polythene Bags	2175	25
Carbonated Soft Drinks(CSD) Green	28	11.5	200-300	SHORT Neck PCO (Soda)	Polythene Bags	2175	25
Carbonated Soft Drinks(CSD) Milky White	28	11.5	200-300	SHORT Neck PCO (Soda)	Polythene Bags	2175	25
Carbonated Soft Drinks(CSD) Clear/Green	28	12.5	200-300	SHORT Neck PCO (Soda)	Polythene Bags	2000	25
Carbonated Soft Drinks(CSD) Clear/Green	28	15	300-400	SHORT Neck PCO (Soda)	Polythene Bags	1665	25
Carbonated Soft Drinks(CSD) Clear/Green	28	16	300-400	SHORT Neck PCO (Soda)	Polythene Bags	1550	25
Carbonated Soft Drinks(CSD) Clear/Green	28	20.5	400-500	SHORT Neck PCO (Soda)	Polythene Bags	1210	25
Carbonated Soft Drinks(CSD) Clear/Green	28	23.5	500-600	SHORT Neck PCO (Soda)	Polythene Bags	1050	25
Carbonated Soft Drinks(CSD) Clear/Green	28	35	900-1000	SHORT Neck PCO (Soda)	Polythene Bags	715	25
Carbonated Soft Drinks(CSD) Clear/Green	28	45	1400-1500	SHORT Neck PCO (Soda)	Polythene Bags	550	25

# JAR PREFORMS

## (WIDE NECK)

- Our wide-neck jar preforms are built for food-grade applications such as dry fruits, pickles, snacks, confectionery, and nutraceuticals.
- With heavy-duty weight options and exceptional clarity, these preforms ensure sturdy jar formation, excellent shelf appeal, and compatibility with standard wide-mouth closures.

Neck Size (mm)	Weight (gms)	Bottle Volume (ml)	Neck Type	Packing Type	No. of Pieces	Per box weight (kgs)
38	6.6	50-100	Wide Mouth	Cartons	3220	21.25
38	9.5	50-100	Wide Mouth	Cartons	3960	37.62
53	8.5	1-100	Wide Mouth	Cartons	2520	21.42
53	11	50-150	Wide Mouth	Cartons	2184	24.02
53	14	150-250	Wide Mouth	Cartons	1960	27.44
53	17	250-350	Wide Mouth	Cartons	1960	33.32
83	42	750-2000	Wide Mouth	Cartons	580	24.36
96	36	1000-2000	Wide Mouth	Cartons	512	18.43
63	19	100-200	Wide Mouth	Cartons	1404	26.68
63	21	100-250	Wide Mouth	Cartons	1404	29.68
63	27	200-500	Wide Mouth	Cartons	1188	32.08
63	33	200-750	Wide Mouth	Cartons	1188	39.2
120	63	1000-3000	Wide Mouth	Cartons	400	25.2
120	70	1000-5000	Wide Mouth	Cartons	400	28

# CTC PREFORMS

- CTC preforms are ideal for agrochemicals, edible oils, and specialty liquids requiring tamper-evident performance.
- Manufactured with consistent accuracy, these preforms offer excellent strength, drop resistance, and smooth thread engagement for dependable sealing and product safety.

Color	Neck size (mm)	Weight (gms)	Neck Type	Volume (ml)	Packing type	No. of pieces	Per box weight (kgs)
Clear	29MM	10.5	CTC (Oil)	1-100	Polythene Bags	2370	30
Clear	29MM	15	CTC (Oil)	200-300	Polythene Bags	1665	30
Clear	29MM	21	CTC (Oil)	400-500	Polythene Bags	1200	25
Clear	29MM	23.5	CTC (Oil)	400-500	Polythene Bags	1060	25
Clear	29MM	25	CTC (Oil)	400-500	Polythene Bags	990	25
Clear	29MM	28	CTC (Oil)	900-1000	Polythene Bags	900	25
Clear	29MM	33	CTC (Oil)	900-1000	Polythene Bags	755	25
Clear	29MM	35	CTC (Oil)	900-1000	Polythene Bags	715	25
Clear	29MM	41	CTC (Oil)	900-1000	Polythene Bags	615	25
Clear	36MM	52	CTC (Oil)	1400-1500	Carton box	385	25
Clear	36MM	67	CTC (Oil)	1900-2000	Carton box	370	25

# KEY FEATURES

## HIGH CLARITY & GLOSS

Ensures crystal-clear transparency for premium-quality bottles and jars.

---

1

## PRECISION NECK FINISH

Provides leak-proof sealing and perfect compatibility with industry-standard caps.

---

2

## EXCELLENT BLOW-MOULDING RESPONSE

Uniform material distribution enables smooth stretching and consistent container formation.

---

3

## SUPERIOR MECHANICAL STRENGTH

High impact and drop resistance ensure reliable performance during filling, transport, and handling.

---

4

## FOOD-GRADE, BPA-FREE RESIN

Safe for direct contact with drinking water, beverages, and edible products.

---

5

## CONSISTENT MULTI-CAVITY QUALITY

Every preform is manufactured with strict tolerances to maintain batch-to-batch uniformity.

---

6

## LET'S BUILD A LONG-TERM PARTNERSHIP

Share your specifications, neck size, weight, colour, and quantity, and our team will provide a tailored quotation with technical guidance.
